Assistant Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

In response to the Official Action mailed July 8, 1998, please amend the subject application as set forth below:

In the Claims

1.(Amended) VDF polymerization process, optionally modified with small amounts, generally comprised between 0.1 and 10% by moles, of one or more fluoro-containing comonomers, for preparing VDF polymers showing improved levels of white index, carried out in the presence of a microemulsion comprising a (per)fluoropolyether having neutral end groups, or microemulsions of fluoropolyoxyalkylenes having
